SPECIFICATIONS:

Frame & Seat:

Fire retardant molded foam seat pad

Non return swivel

Assembly:

[Instructions -->](#)

Warranty:

The structural warranty will be voided if the product has been supplied un-assembled and we find issues have resulted from faulty workmanship.

PRODUCT MAINTENANCE:

Stainless Steel:

1. Regularly dust surface with damp cloth.
2. Wash with a soft cloth and a stainless-steel cleaning agent.
3. Always dry with a lint free cloth.

DO NOT: Use abrasive pads, brushes, or cleaners, like steel wool, as it will scratch the surface.

NOTE: These bases lightly scratch with normal use. The scratches are not unpleasant and over time create a nice patina on the surface.

Powder coated Mild Steel:

1. Regularly dust surface with damp cloth.
2. Wash with a soft cloth and warm soapy water.
3. Always dry with a lint free cloth.

DO NOT: Use abrasive pads, brushes, or cleaners like steel wool, as it will scratch the surface.

DO NOT: Use powder, concentrated detergents, or silicone-based furniture polishes.

Vinyl:

1. Regularly vacuum using a soft brush and wipe with a wet sponge or cloth.
2. Protect from direct sunlight.
3. Treat spills and stains as soon as possible by blotting liquid spills with a clean dry cloth. Wipe with a clean cloth dampened with warm water. Dry in shade away from direct heat.
4. A soft bristle brush may be used to remove ingrained soil. Avoid scratching by gentle brushing.

DO NOT: Use abrasive powder, detergent based or paste cleaners.

DO NOT: Wet excessively or clean with hot water extraction machine or on-site dry-cleaning machine.

NOTE: Annual professional cleaning is highly recommended.
