PRODUCT MAINTENANCE:

Polypropylene

1. Regularly dust surface with damp cloth.

2. Wash with non-abrasive universal detergent and leave for a few minutes.

3. Wipe off with a damp cloth and rince with water.

4. Dry with a lint free cloth.

DO NOT: Use abrasive pads, brushes, or cleaners like steel wool, as it will scratch the surface.

DO NOT: Use detergents, glass cleaner, harsh chemicals, or any solvent or ammonia based cleaners.

NOTE: Use a toothbrush to remove dirt from small spaces.
