PRODUCT MAINTENANCE:

Iron:

1. Regularly dust surface with damp cloth.
2. Wash with a soft cloth and warm soapy water.
3. Dry with a lint free cloth.

DO NOT: Use abrasive pads, brushes, or cleaners like steel wool, as it will scratch the surface.

DO NOT: Use powder, concentrated detergents, or silicone-based furniture polishes.

NOTE: Cast iron will oxidize near salt water, the performance of the item is unaffected, simply follow cleaning instructions.

Fabric:

1. Regularly vacuum using low suction.
2. Protect from direct sunlight.
3. Treat spills and stains as soon as possible;
 1. Gently scrape any soil or mop any liquid from the surface of the fabric.
 2. Apply upholstery shampoo cleaning agents strictly according to instructions to remove the residue of the spill.
 3. Dry in shade away from direct heat, allow to dry thoroughly before re-use.

DO NOT: Saturate the fabric or interior with water or other cleaning liquids.

DO NOT: Use dish washing or laundry detergents.

DO NOT: Scrub with a stiff brush.

NOTE: Annual professional cleaning is highly recommended.

NOTE: Water-based soil resist fabric protector treatments are available and should always be done.

NOTE: Pilling can occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores.
